

IAL BALLOT COMPLETE

or Making Additions and Changes Expired Last Evening.

GAL ACTION IN THE MNEEL CASE

of Lincoln Lets Contract for Principal Electric Lighting Plant—Omaha Firm Gets Largest Section.

(From a Staff Correspondent.)

NCOLN, Oct. 22.—(Special.)—There will be more changes in the official ballot printed. The last day for filing names for the anticipated action was not taken, and the name will go on the ticket as the nominee of both the democratic and populist parties. McNeel was put on the populist ticket by the congressional committee to all vacancies.

The ballots will be printed by Klapp-Bartlett of Omaha, and will be a mammoth affair, being in some counties fully six feet long. A question has been raised here in regard to voting that will probably take a Philadelphia lawyer to settle to the satisfaction of everyone. It is this: In this county the fusionists have two nominees for the legislature and the republican have seven. Now then if a voter puts a cross in the circle at the head of the republican ticket, thus voting a straight republican ticket, and then votes for Morning and Miller, the fusion nominees, will this vote be thrown out, or, if not thrown out, which of the seven republicans will get a vote out of it, the voter being allowed to vote for seven. According to the statutes, should a voter put a cross in the circle at the head of the ticket and then mark a cross after some of the names on the opposite ticket, the vote is counted for those voted for individually, while the cross at the head of the ticket votes for the remainder of the ticket. This has been talked of considerably of late, and the best remedy yet suggested, according to the candidates, is for everyone to vote a straight ticket from top to bottom.

Fusion Scheme Falls.

The meeting of the Traveling Men's Republican club at the Lincoln hotel tonight, which was called presumably for the purpose of committing the organization to the endorsement of candidates for the legislature and the fusion ticket, failed in its purpose, and instead Cal A. Diamond, who was the leader in the anti-fusion movement, resigned as president of the club. In his place L. P. Sine was chosen and Z. H. Chittenden was elected secretary. After calling the meeting to order Mr. Diamond moved that the club disband. A wrangle followed and when it became apparent that the anti-fusionists were outvoted Mr. Diamond resigned, giving as a reason that he could not support some of the candidates on the republican ticket that it was better that he turn over the management of the club to some one else. After the meeting, which was held behind closed doors, Mr. Diamond refused to state why he resigned, but in the meeting with the other members in saying the meeting was a shameful affair. The business was done with only about a dozen present, but when it was found that the regular republicans were in control Chairman Burgess, who had previously been in the hotel lobby, but who could not be found when wanted, returned to the hotel with a large number of traveling men and delivered an address. Mr. Watzke and a number of republicans and democratic politicians were at the hotel and waited with interest the outcome of the meeting.

Rates for Folk Meeting.

The fusionists are waxing jubilent today because the railroads have announced a rate of one and one-half fare from all points within fifty miles of the capital because of the folk meeting to be held here Monday. The speaking will occur at 2 o'clock in the afternoon and a mighty effort will be made to fill the auditorium. Mr. Folk will arrive in the city some time tomorrow, but it is not known just yet at what hour. G. W. Bergs, who will also speak, will get here at noon tomorrow from his trip over the state.

Blow May Prove Fatal.

C. F. Kennett and Robert Marla, two

men employed by the Ice company, fought this afternoon and Kennett struck Martin in the left temple with an ice pick, breaking the skull and rendering his recovery doubtful. Kennett was arrested and is in jail and Martin is at the city hospital.

Car Robbers Arrested.

Detective James Malone, special agent of the Burlington and Kennett struck Martin in the left temple with an ice pick, breaking the skull and rendering his recovery doubtful. Kennett was arrested and is in jail and Martin is at the city hospital.

Get the Wrong Man.

E. C. Fitzsimmons, who was arrested in Columbus, and thought to be the man wanted here for beating several merchants out of clothing by working a rapid change racket, came to Lincoln this morning, reported to the police and was discharged. He was not the man wanted.

Superintendents Elect Officers.

The principals and superintendents completed their shop talk this afternoon and adjourned after electing these officers: E. L. Rouse of Plattsmouth, president; Miss Ada Tibbitts of Lincoln, vice president; Fred J. Kelly of Cedar Rapids, secretary. The meeting will be held in Lincoln next year.

Omaha Firm Gets Contract.

The city this morning let the contract for the construction of a municipal electric lighting plant and power house for the water system for a total cost of \$1,150,000. Of this amount the Nebraska Electric company of Omaha, of which former City Electrician Schurig is the manager, got the lion's share. He was awarded the contract for the poles and wiring known as the outside work for \$220,000. His bid was just \$81 less than that of a Lincoln firm. One member of the council was against letting the contract go out of the city when it was merely a question of a few hundred dollars, but the majority were in favor of the lowest bidder getting the work, consequently Mr. Schurig landed.

BURKETT AND MICKEY IN CASS

Enthusiastic Rally Opens Republican Campaign at Plattsmouth.

PLATTSMOUTH, Neb., Oct. 22.—(Special.)—The first political rally in Cass county this campaign was held by the republicans in the Farmers theater last evening. The playhouse was well filled. Hon. R. B. Windham of this city, republican candidate for representative, presided, and introduced Captain Charles L. Sheldon, state senator, who spoke about the auditor's reports of the indebtedness of the state and the new revenue law. He said he would vote for it, although it was not just as he would like to have had it.

W. E. Hand, candidate for representative, informed the people that if elected he would work for the best interests of the county and state.

Congressman Burkett, introduced as "the next United States senator," was greeted with applause. He ridiculed the position of the democratic party and suggested that anybody could tell just what democracy really stood for he should help out Judge Parker, who in three different written documents had been unable to tell where he stood on one of the great questions.

Governor Mickey, introduced as "the best

governor Nebraska has ever had," commenced by saying: "This is the best and grandest government in the world, and we republicans are running it." He spoke of the revenue law and the debt of the state, and said that it should be without running it in debt. He admitted that the state was in debt \$2,000,000, but said that it must be paid, and that the new revenue law, which was the best ever passed, would pay it.

Court Work at Papillion.

PAPILLION, Neb., Oct. 22.—(Special.)—The following minor cases have been settled in district court:

Charles D. Smith against Samuel Nelson. Plaintiff was given judgment of \$200 and possession of premises in question.

near South Omaha. Later the judgment was set aside and a new trial granted.

Nettie J. Kirkpatrick et al against E. G. Schaal, ejectment suit; demurrer overruled.

George Woolver against Jerusha P. Woolver. Plaintiff granted divorce.

William Chivers against P. H. Weibel, suit to recover \$20 on a labor account. Dismissed at court's instance.

Alida Anderson against Mary B. Butters et al, land partition suit. James Hassett appointed guardian ad litem for Jessie R. Heacock, a minor.

Charles Hagedorn against Adolph Peterson et al. Case in which the plaintiff asks to have defendants enjoined from trespassing upon his premises. Leave given plaintiff to file reply instant.

Kingman Implement Company against James Gow. Order of revivor of dormant judgment of \$1,000 granted.

F. M. Fish against A. E. Langdon, foreclosure suit. Leave given defendant to answer in two days.

HORSE TRADERS CHARGE THEFT

Fall to Furnish Proof, However, and Case is Dismissed.

YORK, Neb., Oct. 22.—(Special.)—Frank Gleason, a saloonkeeper, and Jess Cain, proprietor of a billiard hall, both on Utica, were arrested and charged with horse stealing by two horse traders, Gabriel and Redfern. There had been bad feeling for some time between the parties. Redfern and Gabriel, who were camping near Utica, met Cain with two young women, stopped his team and pulled Cain out of the buggy and unmercifully beat him. Assistance was brought from Utica and searching parties formed for the purpose of catching and bringing them. Not finding Redfern and Gabriel, the searchers proceeded to take their horses back to Utica. On the way they met another horse trader, named Mayhew, who told them the horses belonged to him, and he took them. Afterwards warrants were sworn out against Cain and Gleason, charging them with stealing the horses and selling them to Mayhew. The trial here lasted until late at night. Gleason and Cain were discharged.

BERGE TALKS TO TWO DOZEN

Neesh-Advertised Nebraska City Rally Turns Out a Dismal Failure.

NEBRASKA CITY, Oct. 22.—(Special.)—G. W. Berge, fusion candidate for governor, spoke in this city this afternoon. It was advertised as a "great rally," and a brass band was hired to assist in attracting a crowd. When the faithful were rounded up it was discovered there were just twenty-five people in the opera house, exclusive of the speaker and the band. It was the most dismal failure of any meeting ever addressed by a candidate for governor in this city.

CARS WRECKED AT PORTAL

No One Hurt in Accident Which Delayed Traffic.

PAPILLION, Neb., Oct. 22.—(Special.)—A wreck occurred at Portal last night. As an extra freight with engines No. 992 was coming around a curve a car climbed the rail and jumped the track, followed by five others, all loaded, smashing them all up in bad shape. The Omaha wrecking outfit was sent for but could not handle it, so the wrecking outfit from Plattsmouth was called. The track for twelve rail lengths was torn up. No one was hurt, but the damage will be considerable.

Improvements on the Union Pacific.

BEATRICE, Neb., Oct. 22.—(Special.)—A vast amount of steel rails are being distributed at various points along the Manhattan branch of the Union Pacific road to be used in place of the old ones on track improvements which are now in progress. It is quite probable that the Holmesville cutoff will be constructed, thus establishing a new roadbed on high ground for a distance of about five miles. While it is not yet officially, it is believed by some that a part of the material being shipped over the branch may be used on the Marysville-Topska cutoff, the building of this proposed line having recently been let by Kippatrick, Bros. & Collins of this city. The contractors are not disposed to give out any information regarding just what time work will be commenced on the line, which will be about eighty miles in length when completed.

Laborers Find Skeleton.

TECUMSEH, Neb., Oct. 22.—(Special.)—Laborers discovered a skeleton in the basement while engaged in excavating for a cellar at the S. S. Stewart farm, occupied by the Barnett family, east of the city, today. The body had apparently been buried for many years, the grave having been dug under the house, which is an old one. A perfect skull and parts of a pair of boots were exhumed. The strata showed that a grave had been dug, the dark soil showing near the bones. A great many different families have resided on the farm during the last few years and if there was any foul play on the part of any one it has been so long ago that it would be difficult to locate it. That the corpse was buried "with his boots on" there can scarcely be any doubt.

York College Republican Club.

YORK, Neb., Oct. 22.—(Special.)—The Young Men's Republican club assisted in organizing yesterday the York College Republican club, in which there is a large membership of enthusiastic students. The meeting held last night was called to order by C. W. Gwinn and was addressed by Messrs. Sandall, White and W. A. Dean. The following officers were elected: R. C. Shupe, president; F. C. Dean, vice president; G. M. Daly, secretary; and C. W. Gwinn, treasurer. George W. Shrick, candidate for state senator, was called for and responded. The club will hold a meeting each week.

Young Man is Missing.

TECUMSEH, Neb., Oct. 22.—(Special.)—Bert Egge, the fifteen-year-old son of Mr. and Mrs. Cyrus Egge of this city, has disappeared and his parents are alarmed at his absence. The young man was employed on a farm east of this city, being in the employ of William Glasson. Three weeks ago he started for town, and it is interesting that he was coming home. A few days later Mr. Glasson called at the Egge home here to see the young man and learned that he had not been there. He has not been heard of since. It is not improbable that he has run away.

Burkett Speaks at Holdrege.

HOLDREGE, Neb., Oct. 22.—(Special.)—Congressman E. J. Burkett spoke here tonight to a crowded house. He talked over national issues and showed how republican policies are for the upbuilding of the American nation and how these policies are for the benefit of the producer. He clearly showed how the republican party is in favor of the producer and the farmer and laboring man. Prospects of republican victory in Phelps county are most encouraging.

Rally at Cozad.

COZAD, Neb., Oct. 22.—(Special.)—A republican rally was held here last night. The speakers were Hon. Norris Brown, Judge Kinkaid and County Attorney Linderman. Hon. George Bacon was also present. A large crowd was in attendance and much interest manifested. Indications point to a large republican vote here.

Hinshaw at Osceola.

OSCEOLA, Neb., Oct. 22.—(Special.)—For the first time during the present campaign our people had the privilege of listening to Congressman E. H. Hinshaw last evening.

OPERATIONS A FAD

Public Gradually Awakens to the Fact The latest fad in operations has been the appendicitis fad; before that the fad for rectal operations (piles, etc.) held sway. Thousands of patients were frightened and hurried into hospitals, operated upon and routed of their last dollar, when the trouble was a simple case of hemorrhoids or piles only, easily cured at home with a simple remedy costing but fifty cents a box.

"I procured one fifty cent box of Pyramid Cure of my druggist, with the intention of buying a larger box later, but was happily surprised when I found that I was cured, and still have six pyramids, left out of the first and only box. I have not had the least sign of piles since I used this one box, which has been about two months previous to using Pyramid Cure. I had the worst kind of bleeding and protruding piles for over thirty-one years, and no one knows, except those who have had the piles, the pain and misery I suffered.

"I am a poor man, but have often said I would give a fortune, if I had it, to be cured of the piles, and now I have been cured for fifty cents. I should be very ungrateful if I did not thank you and give you every privilege to use my name and this letter, when I know there are so many who suffer as I did." J. A. Weismiller, 1100 Gladstone Road, West Des Moines, Ia. Published a little book on the causes and cure of piles, which they will be glad to mail free to any applicant, and we advise all sufferers from this painful disease to write to them for it.

Suites of Several Offices

An opportunity is offered to any one needing a suite of several offices, or large office space to secure rooms which will be arranged to meet the requirements of the tenant. These rooms are on the sixth floor of

THE BEE BUILDING

and will be finished in hard wood throughout. They will be in every other respect the same as those in the rest of the building.
